

SKATE SAFE DURING

COVID-19

GUEST SAFETY STANDARDS

1

For the safety of our staff and guests, if you have a fever or any symptoms consistent with COVID-19, you will not be allowed inside the facility.

2

If you have been exposed to anyone who has been confirmed positive for or suspected of having COVID-19 within the last 14 days, for the safety of staff and guests, please do not enter the facility.

3

If you have had COVID-19 and recovered, you must be symptom and fever-free without the use of medications for a full 72-hours.

4

All guests must sanitize their hands before entering the building and are encouraged to sanitize and wash their hands throughout their visit.

5

For the safety of all guests and staff, everyone who enters should wear a face mask unless otherwise instructed by state and local city ordinances.

6

All guests and staff are recommended to stay at least 6 feet apart to follow social distancing guidelines.

7

In addition to washing your hands and sanitizing often, remember to avoid touching your face at all times.

8

While we welcome your families to celebrate together, we recommend groups no larger than 10 or as otherwise instructed by state and local guidelines.

9

Remember to sanitize your hands after putting on skates, after playing arcade games, returning your skatemates or touching any surface that other individuals may have touched.

10

All guests must wear above-the-ankle socks when wearing roller skates.
